

- 
- The top image is an aerial photograph of the 'Le Provet' playground. It features a large, curved, green slide structure with a dark brown border, situated on a grassy field. A paved road and a parking lot are visible to the left. In the background, there is a long, low building with a blue roof.
- The middle image is a perspective view of the large green slide structure. The slide is a wide, flat, green surface that curves downwards. A dark brown border runs along the edge. The structure is set on a grassy slope. In the background, a paved road and a parking lot are visible.
- The bottom image is a map of the area around the playground. A red arrow points to a specific location on the map, which is labeled 'EMPLACEMENT DU PROJET' (Project Location). The map shows a residential area with streets, buildings, and a river. The playground is located near the river and a large building.
